

# Thankful for Creative Kids

## ART WALK & SCAVENGER HUNT

Friday, Nov. 13, after 4 PM

Saturday & Sunday, Nov. 14 & 15, All Day

Students are invited to decorate art templates (distributed soon) however they like – crayon, paint, cotton balls, whatever! Then, during the weekend event, display each piece in the front window of your home, on your garage door, or **wherever it's easily visible from the sidewalk**. And don't feel limited to the template! If you'd like to display more art – well, yay!

During the weekend, families can mask up and take a stroll around their neighborhood to check out all the other artwork on display. There will be art mounted in the windows of our schools, too, so visit our campuses! We'll email out scavenger hunts (a Yulupa-level and a Strawberry-level) for the kids to use while they walk. **Kids who complete the entire scavenger hunt can send in a photo to enter a drawing to win a school spirit prize.**

More info can be found by visiting [BVEF.net](http://BVEF.net)

We can't gather for an exhibition or performance at school, but we **CAN** turn the whole school district into our art gallery!

Join Bennett Valley School District families to stretch our creative muscles, enjoy some time outside, and appreciate the creativity of our BVUSD kids.
