

**BENNETT VALLEY
EDUCATION
FOUNDATION**

Dear Local Business,

Bennett Valley Education Foundation (BVEF) is an all-volunteer, non-profit organization seeking your support for **arts education in our local schools**. The volunteers of BVEF are responsible for raising over \$80,000 each year to provide students in Santa Rosa's Bennett Valley School District with hands-on instruction in art, music and dance.

An integrated art and music curriculum contributes substantially to students' cognitive development and academic success. Our state budget no longer includes funding for arts in our public elementary schools. **All of the arts programs our children receive are funded by donations from parents and local supporters like you.**

The week of April 19th, 2021 will be our 13th annual **Valley of the Arts (VOTA)** fundraiser, which includes online auctions, a donation pledge drive, dine and donate opportunities, and culminating in a live virtual concert! **Valley of the Arts** reaches thousands of families across the country!

Help support our local students by donating an item for auction or purchasing an event sponsorship.

All donations received by March 19th will be acknowledged on our website. Please complete and return this form with your donation. If you have questions, please email: bvef.donation@gmail.com

Thank you for your consideration and for all you do to make our community a better place!

Sincerely,
Heather Chagnon Gruenbaum

Thanks to the investment of community supporters like you, our district is one of the few still able to offer meaningful programs in the arts:

BVEF funds professional art, dance, and music instruction, instructors' salaries, as well as the award-winning band and chorus program.
