

# Creativity Week

Let's Get Creative! | April 19-23, 2021 | [bvef.net](http://bvef.net)

WHAT TO WEAR		WHAT TO CREATE	
Monday, April 19: Music Monday			
Dress like your favorite musician or wear your favorite band shirt		Rock out! Dance to your favorite music or get some practice playing an instrument (or both!)	
Tuesday, April 20: Artist's Palette			
How many colors can you wear in one outfit? The brighter the better, lets see how you mix your colors!		Grab your markers, crayons or colored pencils and color in your BVEF coloring sheet or make your own colorful creation.	
Wednesday, April 21: Wacky Wednesday			
Wear as many different patterns as you can -- polka dots, stripes, animal print, plaid, anything goes!		Create a piece of art or collage that incorporates multiple patterns and textures	
Thursday, April 22: Sculpturific Art			
It's crazy hair day! Use your creative skills to come up with a unique hair style to sport for the day		You created a sculpture on your head, now create a sculpture out of playdoh, clay, boxes or other materials you find around your house	
Friday, April 23: School Spirit			
Show your Cougar and Eagle pride by wearing school gear and your school colors		Draw or paint a picture that shows what you like best about your class and/or your school	
Share your creativity! Share your works of art with the rest of our school community by uploading photos and videos of your creations to <a href="http://bvef.net/creativityweek">bvef.net/creativityweek</a>
