Funding the Arts in Yulupa and Strawberry Elementary Schools

SPONSOR THE VALLEY OF THE ARTS (VOTA) DINNER & AUCTION

FRIDAY, APRIL 28, 2023 | FRIEDMAN CENTER | SANTA ROSA, CA

BVEF's annual fundraiser, VALLEY OF THE ARTS (VOTA), will return to its original dinner and auction format after a three-year hiatus! This adults-only event will feature a catered dinner, live and silent auctions, and other fun games and entertainment. **Why Should YOU Consider A VOTA Sponsorship Opportunity?** Sponsorship increases awareness of your business within the Bennett Valley community of 700+ families and supports our local public schools!

The Bennett Valley Education Foundation (BVEF) is an all-volunteer, 501C(3) non-profit organization responsible for raising over \$85,000 each year to provide students at Yulupa and Strawberry Elementary Schools in Santa Rosa's Bennett Valley Union School District with hands-on instruction in art, music, and dance. California does not provide funding for arts education in elementary schools, and ALL of the arts programs our students receive are funded by BVEF and local supporters like you!
